

Preparation for Session 4: Explore and research

	Age 18–40	Age 41–65	Age 66+
Type of church attendance			
Regular member (someone who has been involved in worship for a long time)			
Fringe member (someone new to church for whom worship is also new)			
Non-member (someone in the community who does not come to church)			

What is it about a church service that most helps you to worship God?
In what ways does worship help you to grow in your faith?
In what ways does the music help or hinder the way you engage with God?

Where do you think the worship of the church fits into the life of the local community?
What kind of services (or worship) would you like to come to?
